

## HERE'S HEALTH FOR YOU.

A policeman was recently retired in New York with a pension on account, among other things, of "obesity contracted in the course of duty." That's just the way the monopolist contracts his "obesity"—his "line of duty" being to see that the "other fellow" doesn't have a chance to "wax fat."—San Francisco Star.

### SOUTHAMPTON SUBDIVISION

now being placed on the market by the NEW CASTLE TRUST COMPANY OF ST. LOUIS, Mo. This property, which is in Southwest St. Louis, is on high and perfectly drained land, and is destined to be one of the City's choicest residence sections. All improvements, such as paving, sewers, water, sidewalks, curb, gutter, gas, etc., are in or being placed. Restrictions imposed by the vendors, guarantee the high character of the neighborhood in perpetuity. The lots are offered at an extremely low price, and on easy terms; one tenth of price down, the balance in \$10.00 monthly payments. In the event of the death of a purchaser, after having made one payment, title to the property vests at once in his heirs. **FREE OF ALL ENCUMBRANCE.** By this unique offering of the Mercantile Trust Company, the purchaser and his family are insured against loss. The Company also offers to the first ten purchasers of lots who build homes, a cash bonus of \$20 each. A building line of 20 feet and a minimum value of \$2,000 for structures are among the restrictions imposed by the Company. The property adjoins the beautiful Kings Highway Boulevard, which is contemplated, and this thoroughfare now gives the Transit Company's Car lines a route through the center of the subdivision, bringing it within 40 minutes of the heart of the city, with a five cent fare. Now is the time to get in on the ground floor. These lots are destined to increase in value rapidly. At present they are selling at from \$15 to \$20 a foot, including all improvements. The natural growth of St. Louis is in this direction. For further information concerning this offer, address
